# HONG KONG TUBERCULOSIS, CHEST AND HEART DISEASES ASSOCIATION 香港防癆心臟及胸病協會

## Seminar on “Issue on Health Promotion and Disease Management”

### Introduction

The Hong Kong Tuberculosis, Chest and Heart Diseases Association and the Hong Kong Centre of Health Promotion and Disease Prevention had long been organising various health promotion activities to promote the concept of healthy lifestyle. In order to deliver the knowledge on health promotion and disease management to the health professionals, a seminar on “Issue on Health Promotion and Disease Management” will be held on 28 April 2010. We are honoured to have **Prof. Noreen Clark, Dean of School of Public Health, University of Michigan, USA** to deliver the keynote lecture on the topic of “Issue on Health Promotion and Disease Management”.

### Objectives:

- 1.To strengthen, update and develop knowledge on Health Promotion and Disease Management.
- 2.To strengthen, update the knowledge of public health in Hong Kong.

### Target:

Doctors, Nurses and other public health professionals
