## “Liberal Studies Programme 2016-2017”

### Guidelines

A) **Organiser:** Hong Kong Tuberculosis, Chest & Heart Diseases Association

B) **Theme:** “**Healthy Lifestyle, Food Safety and Social Wellness (健康生活、食品安全及社交健康)**”

C) **Modus Operandi:**

- Each team (4-6 students) will take up a research project related to the above theme; the project should be planned and carried out by the students themselves, cumulating in the production of an innovative project with a proposal, abstract and written report.
- Participating groups will be divided into Junior Secondary (S1-S3) and Senior Secondary (S4-S6) levels.
- Each school cannot submit more than 12 projects.
- Teachers will be facilitators only. If necessary, the Association may help to establish contact with relevant specialist and/or government department to provide information or professional advice.
- A maximum of 70 projects will be selected to present their findings at the semi-final competition on 6<sup>th</sup> May 2017; short-listed teams will present their findings in an open forum on 27<sup>th</sup> May 2017.
- Written reports will be published for circulation to schools and put in the website for world-wide dissemination.

D) **Prizes:**

- Projects will be evaluated by an independent panel of judges. The best 3 projects in each group, in order of scores, will receive prizes of **HK\$30,000.00, HK\$20,000.00, HK\$10,000.00** respectively; a meritorious award of **HK\$5,000.00** each will be presented to the next 4 projects.
