Membership Application

A. Personal Information Collection Statement

Hong Kong Tuberculosis, Chest and Heart Diseases Association (The Association) is committed to protect your personal data (the Data). This Personal Information Collection Statement is to notify you of certain matter on or before collecting data from you in compliance with the Personal Data (Privacy) Ordinance of the Hong Kong SAR. We limit the collection and use of the Data to the specific information we need to administer our services and provide highest quality services to you.

Your personal data is collected by the Association for the **purposes** of:

1. Processing, administering and communicating with you regarding any activities you joined, collecting your opinions and in response to any queries or complaints submitted by you;
2. conducting research and generating statistics to enhance the Association's services and activities;
3. informing you of the latest services, campaigns, activities, recruitment of volunteers, fundraising appeals and issuing receipts and certificates relating to the Association via direct mail, email, phone and SMS;
4. complying with applicable laws or regulations.

Mandatory Information

The provision of the Data is voluntary. However, if you choose not to provide the Data to us, we may not be able to supply you with the relevant information or services or to process your request.

Transfer and Disclosure

Subject to your consent, the Association shall only transfer and disclose your personal data to service providers of the Association. The Association does not provide your personal data to any third party for the purposes of enabling that third party to market its own products or services to you.

Retention of Personal Data

All personal data will be collected and stored at the office on the ground floor of the Association for a reasonable period in accordance with our internal policy. Only authorized employees will be allowed to access relevant information.

Access and Correction of Data

You have the right to request access to or correction of your personal data held by the Association. If you wish to access or correct your personal data, then please contact our staff at 2834 9333 or hpc@antitb.org.hk.

B. Membership regulations

1. Student member must be a full time student.
2. The expiry date of all kinds of memberships is on 31 December of the year of application. (Except for Life member)
3. Membership fee is not refundable. (Except for those applications rejected by the Centre)
